

## Knitted Stockinette™ CK21/CK41

Knitted Stockinette™ is a general use polycotton glove. This minimal risk glove is made from a soft polycotton material making it extremely comfortable. It is die cut to ensure consistency of size and has a knitted wrist which helps to keep hands free of dust and debris. Available in two different weights, it is ideal for light general tasks providing protection from dirt and scratches, and offers exceptional value for money.

### Typically used for:
