

## Matrix<sup>®</sup> D Grip

Matrix<sup>®</sup> D Grip is a seamless knitted glove with a PVC dot palm coating offering good dexterity and handling ability. The seamless knitted shell of the Matrix<sup>®</sup> D Grip offers a close, flexible fit and is extremely comfortable. The PVC dots provide an excellent grip making a considerable difference to productivity and significantly increasing safety for the user. Providing good abrasion resistance and a maximum EN388 score for tear resistance, the Matrix<sup>®</sup> D Grip offers good mechanical protection and is extremely durable delivering excellent value for money. It is available in two colour options, white and grey.
