

## Matrix<sup>®</sup> Orange PU

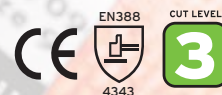

Matrix<sup>®</sup> Orange PU from Polyco is a seamless knitted cut resistant liner with a polyurethane palm coating offering good mechanical protection. It attains maximum EN388 scores for abrasion and tear resistance, and is extremely lightweight and flexible. The breathable close fitting seamless knitted liner offers good protection whilst preserving comfort and sensitivity, and the elasticated knit wrist provides a secure fit and serves to keep the hands free from dust and debris. The incredibly resilient polyurethane palm coating is both flexible and hard-wearing, and has excellent gripping ability performing well in both wet and dry environments. In summary, the Matrix<sup>®</sup> Orange PU is extremely durable and delivers good performance, reliability and value for money.

### Typically used for:

- Component Handling
- Glass Handling
- General Assembly
- Electronics
- Engineering Work
- Metal Fabrication
- Sheet Steel Manufacture

### Case Quantity:

12 pairs per polybag  
48 pairs per case
