

Nemesis[™]

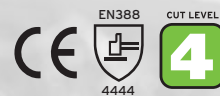

Nemesis[™] is a leather glove with a cut resistant seamless knitted liner providing excellent mechanical protection. Attaining excellent EN388 scores in all categories, Nemesis[™] offers the user a very high level of protection, and handles well in both wet and dry conditions. The seamless knitted liner blend provides good cut resistance and absorbs perspiration keeping the hands safe, cool and comfortable. The elasticated wrist has an integral leather vein patch for extra protection. It also ensures a secure fit and keeps hands free from dust and debris.

Typically used for:

- Automotive Manufacturing
- Construction Work
- Engineering Work
- Maintenance
- Utility Work

Case Quantity:

10 pair per polybag
50 pairs per case
