

Nitron[®] Flex

Nitron[®] Flex is a light duty nitrile coated glove with cotton interlock liner, combining the comfort of natural cotton and the protection of nitrile. Offering excellent resistance to abrasion, the full nitrile coating also has an excellent dry grip due to its non-slip textured finish. It is also highly resistant to grease and oil. The contoured design and cotton interlock liner make it extremely comfortable, which allows for prolonged use with minimal fatigue. The knitted wrist ensures a secure fit and keeps hands free of dust and debris. A comfortable glove with excellent abrasion protection, the Nitron[®] Flex is the ideal choice for light general handling duties.
