

Nitron[®] Plus

Nitron[®] Plus is a Kevlar[®] felt liner with a heavy duty nitrile coating and nitrile safety cuff. The nitrile coated Kevlar[®] felt liner which spans the entire area of the hand, provides excellent abrasion resistance and good protection from cuts and snags. It has a roughened finish for improved dry grip and is highly resistant to grease and oil ensuring safe handling at all times. The nitrile coating extends to form a safety cuff for additional protection to the wrist area. Extremely durable and with a long lifespan, the Nitron[®] Plus offers good value for money and is an excellent choice for handling rough objects in both wet and dry environments.

Typically used for:

- Metal Pressings, Fabrication
- Rough Castings
- Refuse Collection
- Cable & Coupling
- Railway Maintenance

Case Quantity:

10 pairs per polybag
48 pairs per case

Kevlar[®] is a DuPont registered trademark
