

GL818 Latex Powdered™

The GL818 Latex Powdered™ is a minimal risk powdered latex disposable glove, offering protection against contamination, dirt and potential irritants in low risk situations. Made from latex, it is extremely soft, pliable and strong, all characteristic attributes of natural rubber. Its exceptional elasticity, it is neither constricting nor restrictive, providing maximum flexibility and comfort even when worn for long periods. Lightly powdered, it eases donning and absorbs perspiration. The GL818 has a textured finish offering increased grip and secure handling. With a beaded cuff adding strength, the GL818 Latex Powdered™ which has an AQL rating of 4.0, is a reliable choice, providing good durability, resilience and comfort.
