

## GL833 Blue Vinyl Powdered™

The GL833 Blue Vinyl Powdered™ is a minimal risk powdered vinyl disposable glove offering protection against contamination, dirt and potential irritants in low risk situations. The GL833 is a durable disposable glove that provides good barrier protection and has a natural resistance to moisture and humidity. It contains none of the proteins that are present in latex rubber thus eliminating protein sensitisation. Lightly powdered, it eases donning and absorbs perspiration. It has also been tested in accordance with EN1186 making it suitable for food contact. It's soft vinyl formulation is flexible and dextrous providing greater comfort, and the beaded cuff adds strength and prevents liquid roll back. The GL833 Blue Vinyl Powdered™ has an AQL rating of 1.5 and is ideal for light duties.
