

## Grip It<sup>®</sup> Dry

The Grip It<sup>®</sup> Dry is an extremely comfortable nylon glove with a sponge latex palm coating that provides excellent dry grip. Close fitting to give maximum dexterity, the seamless knitted liner is extremely flexible and comfortable to wear. The back of the hand has been left uncoated to provide ventilation keeping the hands cool and dry, and the elasticated wrist ensures a secure fit and keeps the hands free from dust and debris. The sponge latex coating covering the palm and fingers provides excellent dry grip and is very soft, making it extremely flexible allowing for prolonged use without discomfort. The Grip It<sup>®</sup> Dry is the comfortable choice of general handling glove when safe and secure handling is needed.
