

## Matrix<sup>®</sup> B Grip

Get a grip on safety and be sure of excellent value

Matrix<sup>®</sup> B Grip is a cotton knitted liner with a full crinkle latex coating offering excellent grip and good mechanical protection. Providing good abrasion and tear resistance, the crinkle latex coating is ideal for handling rough objects and is highly resistant to mechanical impacts and hazards. It is contoured, supple and elastic allowing for maximum flexibility and comfort, and is robust with excellent durability and a long life expectancy. Highly versatile and suitable for many different applications, the Matrix<sup>®</sup> B Grip is especially ideal for use in wet conditions where it delivers exceptional grip directly contributing to safety and productivity. The brushed cotton interlock liner is soft and comfortable, and the knitted wrist ensures that the glove fits securely. In addition to these features, this glove offers exceptionally good value for money.
