

Matrix[®] C3

Matrix[®] C3 is a seamless cut resistant liner with a polyurethane palm coating, offering outstanding fit and dexterity as well as Cut Level 3 protection. The glove's combination of high abrasion and tear resistance is enhanced by its good cut resistant performance. The seamless shell made from a high spec yarn with Lycra is designed to be close fitting giving the user superior dexterity. The polyurethane palm coating provides excellent grip which performs well in both wet and dry conditions. These properties and its competitive price make the Matrix[®] C3 the ideal choice for use in numerous handling applications. Also available on a header card for easy display and allowing for lower order quantities.

Typically used for:

- Component Handling
- Electronics
- Construction
- Manufacturing
- Refuse Collection
