

Pure Dex Nylon™ (Fingertip Coated)

Pure Dex Nylon™ is a close-fitting, seamless knitted nylon inspection glove with a polyurethane fingertip coating. This light and breathable glove allows for easy movement and offers maximum dexterity, making it ideal for the most tactile of applications. Low-linting and clean room compatible to class 1000, it reduces the risk of product contamination thus making it perfect for handling small components. The fingertip coating ensures that grip is maximised whilst retaining the utmost level of comfort.

Typically used for:

- Component Handling
- Product Inspection
- Electronics
- Automotive Manufacturing

Case Quantity:

10 pairs per polybag
100 pairs per case
