

(Palm Coated Long Cuff)

Pure Dex Nylon™ (Palm Coated)

Pure Dex Nylon™ is a close-fitting, seamless knitted nylon inspection glove with a polyurethane palm coating. This light and breathable glove allows for easy movement and offers maximum dexterity, making it ideal for the most tactile of applications. Low-linting and clean room compatible to class 1000, it reduces the risk of product contamination thus making it perfect for handling small components. The Pure Dex Nylon™ is also available with an extra-long elasticated knitted wrist for increased protection.

Typically used for:

- Component Handling
- Product Inspection
- Electronics
- Automotive Manufacturing

Case Quantity:

10 pairs per polybag
100 pairs per case
