

Reflex[®] Air

Reflex[®] Air is a medium duty general purpose glove that combines protection, grip and user comfort for ultimate productivity. The super-lightweight flexible liner constructed of nylon and elastane offers optimum comfort and dexterity to the user. The crinkle latex palm coating is proficient in both wet and dry environments, and is highly resistant to tear and abrasion making for a durable and long-lasting glove. With an elasticated knitted wrist for a secure fit, it is the perfect choice of glove for those general handling duties.
