

Reflex[®] K Plus

Reflex[®] K Plus is a seamless knitted Kevlar[®] liner with a crinkle latex palm coating providing excellent cut resistance and a secure grip. The high cut resistant Kevlar[®] liner offers outstanding protection from slashes, cuts and sharp objects yet is extremely comfortable. It is seamless thus avoiding irritation and is uncoated on the back of the hand allowing the hand to breathe. As well as providing excellent tear and puncture resistance, the crinkle latex palm coating provides outstanding grip in both wet and dry environments, and is exceptionally flexible keeping hand fatigue to a minimum in prolonged use. The elasticated knit wrist ensures a secure fit and keeps the hands free from dust and debris. The excellent protective properties and outstanding grip make this glove ideal for a wide range of tasks including glass handling, automotive manufacturing and glazing.

Typically used for:

- Glass Handling Applications
- Automotive Manufacturing
- Timber & Panel Handling
- Roofing • Tiling
- Materials Handling
- Ducting/Pipework • Glazing

Case Quantity:

10 pairs per polybag
120 pairs per case
